### Thoughts from our Community Lay Director Kathy Wyatt

Greetings to all in the name of Christ Jesus

We welcome the 4<sup>th</sup> day pilgrims from Walks #25 and #26 with open arms. A special thanks to the Lay Directors, Steve Loeschen and Judy Hays. Serving as our Spiritual Directors were Randy Azbell and Helen McFarland, and our Board Advisors who served so quietly, most of the time, were Dan Clair and Dana Reid.

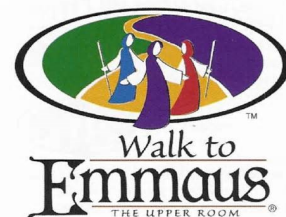

Each Walk has its own unique style, even though we follow the guidelines of the Nashville model. Each Walk seems to be as unique as the Conference room team and pilgrims themselves, as each person represents a unique view of our Lord and how things interact in their lives. Well done and thanks to you all.

The Service Team is unique in its own way, working behind the scenes, delivery Agape, fixing, serving and cleaning up after meals, filling the Agape Chapel with praying hearts, work room volunteers and keeping the letter writing room filled with cards and letters, in a truly giving way. Thanks be to God for your loving hearts of work and Agape.

In February, the Board of Great River Emmaus had a retreat. Several Board Members accepted the responsibility of different jobs. There will be a change on the application form for the pilgrim, as were delighted that the new registrar, Mary Gillingham will be receiving the applications from the pilgrims and sponsors. Her email is: [gillinghambm@yahoo.com](mailto:gillinghambm@yahoo.com). Another change in the

application process is, if you are a sponsor and are requesting a partial scholarship for a pilgrim, please state why you are making that request.

Certainly, these past several weeks have been a challenging time due to the health issues facing our nation and world. Phrases such as: "Practicing Social Distancing, and Shelter in Place" are two that have a distinct meaning for us all. Our rural area has not seen the devastation that other areas of our country have experienced to date, but we all have friends and family in hard hit areas, as we are all intertwined in one form or another. When it is safe again, we will gather, pray, fellowship and rejoice for our Savior lives and reigns forever.

#### On the Road to Emmaus

13And, behold, two of them went that same day to a village called Emmaus, which was from Jerusalem about threescore furlongs. 14And they talked together of all these things which had happened. 15And it came to pass, that, while they communed together and reasoned, Jesus himself drew near, and went with them. 16But their eyes were holden that they should not know him. Luke 24:13-16

## Walk #25 Submitted by Steve Loeschen

Brothers and Sisters in Christ,

Well, Walk's 25 & 26 are in the books and we are all in our Fourth Days. I am comforted in knowledge that Christ was truly present during our weekends and He is truly present in our lives. All we need to do is to pray without ceasing and listen for His call to spread His Love to all we meet. That feeling of unconditional Love that was present during the Walks can continue in our Fourth Days. I encourage you to find a Reunion group which works for you. If you can't find one, start one. A list of current reunion groups was included in your take home packet. Also, there are numerous Gatherings taking place throughout our Emmaus Community. Go to the Great River Emmaus Community

web site and also join the Great River Emmaus face book page.

Finally, I would like to thank everyone who shared Agape Love during our weekends. Those Team members who served in the conference room. The Spiritual Directors who shared how God's Grace is sufficient. Our Board Advisor who guided me through the process. Thanks to those who served in the kitchen, workroom, and those who prayed in the Agape Chapel for us by name. Those that entertained us and attended Candlelight. We felt those prayers and acts of Agape during the weekend. May God Bless you all.

Personally, this was an amazing experience to serve as the Lay Director for Walk #25. I would like to thank Judy

Hays for her help and encouragement over the time of team formation and preparation. It was a great pleasure to work with you.

DeColores,  
Steve Loeschen

## Walk #26 Submitted by Judy Hays

Your prayers were needed and appreciated.

As God brought the team together, and based on the attacks Satan was throwing, we knew it was going to be a powerful Walk.

It was so rewarding to see our Spiritual and Lay teams meld together as one unit during prep weekend. The team stayed in touch and supported one another in the weeks leading up to Walk 26. It was also helpful that Great River hosts the men's and women's teams together over one prep weekend. Having the support of our prayer partners – and essentially a “practice run” – laid the perfect groundwork.

Twenty five team members and fifteen pilgrims gathered February 13, 2020, for Walk 26. A wide variety of spiritual needs and questions were addressed. Lives were changed in amazing ways – ways no human could imagine. And, not only did the team minister to the pilgrims, the pilgrims ministered to the team.

The Great River Emmaus community is mighty. With God in charge, assisted by our Walk 26 team and remarkable community, Walk 26 was a grace-filled and loving experience. Please continue to pray for our pilgrims as they walk each 4<sup>th</sup> day.

Serving as Lay Director was a blessing. I have felt love and support through the past several months – and grace – that I have never before experienced. Thank you does not begin to express my gratitude.

Remember – Walks 27 and 28 are quickly approaching. Reach out with a personal invitation to potential pilgrims. Contact those you've invited in the past ... remembering it's all about God's timing. Be that welcoming voice in a potential pilgrim's life!

De Colores!

## Walk #25 Board Rep. Dan Clair

Greetings Brothers & Sisters in Christ, and again, to our new 4<sup>th</sup> Day Pilgrims from Walks #25 & #26,

I had the privilege to serve as the Board Representative on Walk #25 with Lay Director and my long time Emmaus friend, Steve. It was somewhat bittersweet this time as it will likely be the last opportunity I will have to serve on a Conference Room Team. My term as member of the Board and the Steering Committee for Great River Walk to Emmaus has expired. That said, Walk #25 was another wonderful Emmaus Weekend. God touched the lives of Team and Pilgrims alike, including myself.

I recently read in the devotional, *My Utmost for His Highest*, for March 29, how God shows up in the most unexpected ways. As we've seen on Emmaus Weekends, He is just full of surprises. Look at how surprised the Disciples were at the things Jesus did in and through them (Luke 10-17). When these times come, we are filled with Joy and Peace and a sense of being 'right with God'. This is the essence of the Kingdom of Heaven, both here in this life and the life to come (Rom. 14-17).

We never know what surprises are ahead of us, but we know they will ultimately be good (Rom. 8-28) because He loves us so much. Of course, He's saving the biggest Surprise for last!! (1 Cor. 2-9)

Norma and I are grateful for the opportunity to have been a part of the Emmaus Community the last 20 years. Our roles have changed, but we intend to support GRE with our prayers, gifts, sponsorship, and our presence as much as long as our health will allow. We love you all.

To God Be the Glory.

De Colores, Dan Clair, Board Representative GRE Walk #25

## Walk #26 Board Rep. Dana Reid

Women's Walk #26 Board Advisor

Wow! What an amazing weekend. I tried to be on my best behavior as the Board Rep for Walk#26 however, I did get to talk a little bit. I thank God for giving me the opportunity to serve on these walks and to be a part of this community.

The pilgrims were amazing and I loved meeting each and every one of them. Judy did a great job at putting the pilgrims with just the right table and assistant table leaders. I was so proud of the assistants and table leaders we had. We had a few challenges along the way that they handled with the best of care. One of them even became our nurse for the weekend.

I would like to give a special thanks to Pastor Lemons and Nurse Katie for being there for our Spiritual Director Helen when she had her episode. I hope she is doing well and that she is feeling better.

As for the gals at the back table you guys ROCK!!! These girls did great like I said we did have a few challenges but these girls powered through them like they were nothing. God is Good and He was with each of us on this walk.

Our Spiritual Leaders really stepped up too, when our Director took ill they each took a spot at doing what she was to do to finish out the weekend. We sure missed Helen but am thankful for those that stepped in.

The kitchen staff did great no complaints there. And Saturday's decorations were beautiful . It is always great to see who shows up to help serve the meals.

This is usually a great chance to get those that were at your table to meet you at the retreat center and serve together during these times or just come and see me and others you haven't yet got the opportunity to meet yet.

Thank you Judy Hays for saying yes to the weekend and Yes to God. What a great weekend !

I have served on Great River Walk to Emmaus for over 4 years and many more before we were a board. This was my last year on the board and as it seems nice to give someone else the opportunity to serve I will deeply miss it. As I always have an opinion which I will now try to direct to board members. Remember if you have an opinion on something speak up or else they will never know. I am proud of where God has led me and where He is leading us on this great journey called Walk to Emmaus.

### **News from the Franciscan Retreat Center**

There is discussion of replacing the furniture in the Gathering Room outside the Main Chapel. There will also be a sign in that area displaying the logos of the three Fourth Day movements that use this facility: Cursillo, Walk to Emmaus and TEC. Donations are always welcome to continue projects like this.

Just a reminder: The entire campus is smoke free.

Dear Brothers and Sisters in Christ,

Our Emmaus weekend is a wonderful gift from God that we are able to pass on to Pilgrims on each Walk. Remember your Walk and the amazing feeling of God's Love that you were surrounded with? The feeling of God's Love being poured out on you from so many of the community members? How indescribable the weekend was? We want to continue to provide this amazing experience to new Pilgrims. **We need a minimum of 10 Pilgrims signed up to go on each Walk or ahead of the deadline or we will have to cancel the Walk.** So please, get those applications filled out and sent in the Registrar. We want to do God's work and show His unending love to more of His children!!

We are trying to update our data records to make sure we can reach all our members. **Please respond to this letter with your current preferred email and phone number.** Also if you have contact information for others who have been on a Walk but are not getting emails please let us know how to contact them if they wish to receive emails and newsletters.

**Another way to serve is to help provide scholarship dollars** so that anyone can attend a Walk regardless of financial situation. We have always been greatly blessed with the generosity of our dedicated community and we praise God for the giving spirit of so many! So thank you in advance for anything you feel called to contribute. **Please mail your contribution to Great River Emmaus, PO Box 5215, Quincy, IL 62305**

During the walk weekends, many hands are needed. **It is a great blessing to serve behind the scenes in the Workroom, The Agape Chapel, the and the kitchen.** Your community and the Pilgrims need you to come and be a part of the Body of Christ during these Walks. Prayer Warriors are needed for the whole 72 hours in the Agape Chapel. Help is needed in the kitchen and dining room from 6 AM to after dinner each day and also in the workroom (taking care of many needs of the conference room team, setting up the Chapel for worship, delivering Agape, gathering and sorting letters for Sunday and preparing packets for Pilgrims to take at the end of the weekend) It's a God filled time of fellowship and joy in doing His work together. **So come and help!!** For more information about serving behind the scenes, contact someone any board rep, your sponsor or anyone you know that is involved in our Emmaus community, we really need more people to get involved!

God has blessed us all in so many ways and so many times over. As your Emmaus Board we want to ask for God's multitude of Blessings for you and your families, and wishes for a glorious time of love spent with your loved ones for each of you!

In Christ's Love and in joy of service to Him, Your Emmaus Board members
